First the Kingdom of God: Global Voices on Global Mission

Re-reading Tobit through the lens of grief and loss theory yields a very different interpretation of this character to the negative one that I previously put forward. For example, it is seen that Tobit suffers from all six of the principal loss types identified by Mitchell and Anderson Bolyki, J. Gentle neck extension with a small bolster under the shoulders may only be done if sufficient spinal canal is demonstrated on MR scans to provide room for the spinal cord.
