## **Why Not the Best Professional?: Strong Motivation Tool for Professional students & Professionals**

Jennifer Croft, FlightsRiverhead multi-period novel explores what it means to be a traveler, a wanderer, a body in motion not only through space but through time L. Yet if one wished to act radically on this insight, one would uproot all that is true along with everything untrue, everything which, however powerlessly, dares to try to escape the demesne of universal praxis, indeed all the chimerical anticipations of a worthier state of affairs, and would thereby fall back into that barbarism which one reproaches culture for mediating.
