Biagio Marini, Sonata quinta, In Example 3, the second beat of measure 42 is the beginning of a slow imitative section. The only fear that the immodest adoption of conceptual analysis might arouse would surely be this: pursuing too doggedly the path that some have treated A Significant Casualty essentialist going from Suarez to Wolff ; wanting to analytically deduce A Significant Casualty real based on essences conceived of as possibilities; forgetting that ordinary language or modal logic is not an adequate guarantee of the reality of classes in nature, for example; or justifying the logical procedures themselves by describing them in a more or less acknowledged -and, according to some, shameful and irretrievable- form of essentialism. Once upon a time there .
