Whose School is it Anyway?: Power and politics

This educational project, launched by the MIT inroduces laptop computers suitable for children aged between 6 and These are loaded with an operating system that features free educational software called Sugar. Manipulates people and pulling people down to get where she wants to go.

Doc The Ships of the Italian Navy (Modern)

The concept of 'culture bound syndrome' is found to be too narrow to encompass the most significant issues to arise from reflection on the characteristics of the God intoxicated. The last time they visited the place was in the spring of They left everything, evidently expecting to return, but they never came .

Shropshire Blue, A Shropshire Lad in the RAF, Volume 2, On The Buffet

It is therefore not a sign of hostility to science -on the contrary- to note that it is characterized not by scientism and dogmatism but rather, as all normal scientific activity attests, by uncertainties, trial and error and incompleteness, which together make the risk of scepticism particularly high as I will discuss in the first series of lectures that I will be giving this year.

Whose School is it Anyway?: Power and politics

This educational project, launched by the MIT inroduces laptop computers suitable for children aged between 6 and These are loaded with an operating system that features free educational software called Sugar. Manipulates people and pulliing people down to get where she wants to go.
