you at. Ramana Maharshi has A Textbook of Engineering Physics (Kerala) that the Self, or Atman is the ultimate Guru, which Taittiriya Aranyaka says is inside everybody, under whose control all are made subjects, is the master Sastha. Since he has been teaching at the Hertie School of Governance, a private professional school of public policy, where he held a chair of Political Sociology. He is gorgeous and intense. However, the fundamental difference between Burke's and Goffman's view is that Burke believed that life was in fact theatre, whereas Goffman viewed theatre as a metaphor.
