Antidote to Fact-Free Politics: Debunking the Falsehoods, Fabrications and Distortions Told by Conservatives and Perpetuated by the Media.

Revelation "And they sang a new song, saying: "you are worthy to take the scroll, and to open it's seals; for you were slain, and have redeemed us to God by your blood out of every tribe and tongue and nation,". There is a certain correspondence between the mystical-neoplatonic critique of the Divine attributes-as an attempt to possess God in terms of ontological properties which would reduce His transcendence to the immanence of Being-and the Marxist critique of private property.

Defender of the Lost (The Verities Silex Book 2)

To ensure the study of the detailed geo-political dynamics running through the history of discourses, the chosen perspective is one of a poetics of knowledges, seeking to engage to their fullest potential the critical operators generated by the complex specificity of situations of enunciation, the diversity of languages, and translation.
